DIVISION OF ADULT DEVELOPMENT

ALL-DAY OPEN HOUSES

IT SERVICES SUPPORT CENTRE OPEN HOUSE [B223]

Take a tour of Information Technology Services' Support Centre and learn how the technical infrastructure and support services are offered. You will have an opportunity to ask the department staff any questions you may have regarding technology at Medicine Hat College, as well.

ETS SANDBOX OPEN HOUSE [T219]

Educational Technology Services' Sandbox has moved to a new location! This new venue will provide technology training any day of the week, rather than just Fridays, as offered in the previous year. Come check out all of the new tech toys, including an iPad, a TriCaster, and an open network computer!
